

The **Birthday Book Club** is open to everyone in the school community and is a wonderful way to celebrate each other and promote the lifelong love of reading. Your child can celebrate his or her birthday by donating to the Library. All funds will go towards the purchase of library books to assist teachers with their curriculum and contribute to your child's lifelong joy of reading.

How Does It Work?

The Librarian will select an age-appropriate book for your child. When the book arrives, a book plate will be placed in the front of the book with your child's name and added to the library collection. Your child will even be the first to check out his or her book! You can also be sure that many other St. Martin's Episcopal Preschool students will enjoy your donated book as well. Questions? Email jjaeger@smepreschool.org
